Motivational Speech Session

We have a unique Motivational Speech session now, hosted by our VPE (Vice President Education) Nancy Fix. In this session, you'll learn more inspiring stories, share fabulous success moments with distinguished Toastmasters... and even get some wise advice from our professional guest speakers. It's also a good opportunity to connect with those prominent guys and expand your social network...

DV Recording Service

Every 'prepared speech' will be recorded by a DV, and be uploaded on YOUTUBE after the meeting, so that every member can observe your own performance immediately. After every member finish your 10 CC speeches, instructed by the CC Manual, our committee is going to give you a DVD disc, including all your 10 speeches, as a gift! So, when you are 70 or 80 years old, you can still recall your bad times and good times on Toastmasters lecture.

Special thank to Dover- our camera man- who is a postgraduate student of Tsinghua University and also an active member of our club.

Words from VPE

Motivational Speeches

Memorable speeches inspire, motivate and captivate our attention. Famous speeches often include quotations or clauses that we never forget. Examples include:

- ※ I have a dream
- ※ You always pass failure on the way to success
- ※ one small step for man is one giant leap for mankind

Motivational speeches not only involve good presentational techniques but deliver a message that ignites our consciousness and transcends the moment. If you want to deliver a memorable speech, concentrate on the message. When the audience understands what you said, were inspired by your words and were eager to listen to you again, then you have presented a motivational speech

Your potential is only limited by how many excuses you have! ---TM CCmanual
